1. The gross rate is the contractual rate of interest payable without tax deducted. The AER (Annual Equivalent Rate) illustrates what the interest rate would be if interest was paid and added each year. Rate of interest payable depends on individual circumstances and may be subject to change in the future.

2. The tax-free rate is the contractual rate of interest payable where interest is exempt from income tax. Tax treatment depends on individual circumstances and may be subject to change in future.
